Special United
The voice of young people with special educational needs and/or disabilities
and their siblings

Come and join us via Zoom video chat
on
Thursday 19th May 2022 from 5:30pm-6:30pm

We will be joined by Deborah Hunter who is the Head of Special Educational Needs (SEN) and Principal Educational Psychologist at Brighter Futures for children. Deborah will be talking to young people about mental health and the support that is available for young people with SEND - including how to cope with the impact of being bullied - where to go for help - building self-confidence and resilience.

We will also be joined by the Reading Local Offer Team who have information about services in the area for young people with SEND (Special Educational Needs/Disabilities) and their families.

£10 Amazon vouchers for all young people who take part

Special United evenings are open to any Reading young people who have Special Educational Needs and/or Disabilities aged 8-25 years old and their siblings.

**The Forum would like to remind parent carers that, while there will be at least 3 adults taking part, the safety of their child/young person remains their responsibility and we advise that you supervise your children and young people while they take part.*
