Special United

The voice of young people with special educational needs and/or disabilities and their siblings

Come and join us via Zoom video chat
on
Wednesday 26th January 2022 from 5:30pm-6:30pm

We will be joined by the team from the Royal Berkshire Hospital - Kate Egginton who is the Associate Director of Nursing for Children and Young People, Claire Lord - Paediatric Matron and Niall Norbury - Campaigns and Marketing Manager. They would like to hear from young people with Autism and Special Educational Needs/Disabilities (SEND) about your experiences and views on hospital appointments. Nina Crispin, the Information and Engagement Officer at Reading Borough Council, will be asking young people what they want to see in the new Autism Strategy.

The Reading Local Offer Team will be joining us too. They have information about services in the area for young people with SEND (Special Educational Needs/Disabilities) and their families.

★ **[£10 Amazon vouchers for all young people who take part!](#)**

Special United evenings are open to any Reading young people who have Special Educational Needs and/or Disabilities aged 8-25 years old and their siblings.

**The Forum would like to remind parent carers that, while there will be at least 3 adults taking part, the safety of their child/young person remains their responsibility and we advise that you supervise your children and young people while they take part.*
