

Reading Families' Forum

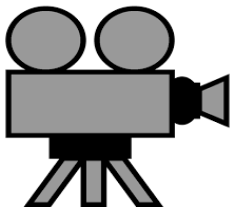

Special United

The voice of young people with special educational needs and/or disabilities and their siblings

**Come and join us via Zoom video chat
on
Monday 19th July 2021 from 5:30pm-6:30pm**

Special United have been given the fantastic opportunity of making a short training video about what they want teachers and other professionals to know about living with a disability and/or autism. This video will be used in schools for training staff as a part of the Autism Growth Project lead by Deborah Hunter - Mental Health Lead and Principle Educational Psychologist at Brighter Futures for Children.

To help us create our video we will be joined by Ruth Edmondson who is a Video Producer and Director from Shuut Production Company. Ruth will be talking to young people about their experiences of living with autism and sharing creative ideas - this can be done on or off camera, through artwork, quotes and voice overs.

We will also be joined by the Reading Local Offer Team who have information about services in the area for young people with SEND (Special Educational Needs/Disabilities) and their families.

[£10 Amazon vouchers for all young people who take part!](#)

Special United evenings are open to any Reading young people who have Special Educational Needs and/or Disabilities aged 8-25 years old and their siblings.

**The Forum would like to remind parent carers that, while there will be at least 3 adults taking part, the safety of their child/young person remains their responsibility and we advise that you supervise your children and young people while they take part.*
