Special United

The voice of young people with special educational needs and/or disabilities and their siblings

**Come and join us via Zoom video chat
on
Monday 10th May 2021 from 5:30pm-6:30pm**

We will be joined by Deborah Hunter who is the Mental Health lead and Principal Educational Psychologist at Brighter Futures for children. And Angelika Welz - the Team Manager of the Primary Mental Health Team at Brighter Futures for Children.

Deborah and Angelika will be asking young people for their help developing the autism support and training offer to Reading schools. They will also be talking about the support that they provide for young people with SEN and will be happy to answer any questions/queries you may have.

We will also be joined by the Reading Local Offer Team who have information about services in the area for young people with SEND (Special Educational Needs/Disabilities) and their families.

£10 Amazon vouchers for all young people who take part!

Special United evenings are open to any Reading young people who have Special Educational Needs and/or Disabilities aged 8-25 years old and their siblings.

**The Forum would like to remind parent carers that, while there will be at least 3 adults taking part, the safety of their child/young person remains their responsibility and we advise that you supervise your children and young people while they take part.*
